

CREDIT SCORE MANAGER (My Credit) TERMS AND CONDITIONS

You agree that by navigating beyond the My Credit tab in our Online and/or Mobile Banking Services, entering your information and continuing beyond the “Agree and Continue” button, or by otherwise accessing or using the Credit Score Manager Third-Party Content, you instruct Village Bank to periodically obtain your credit report to use it for the following purposes:

- To display your credit score information to you for educational purposes;
- To assist you in understanding how financial transactions affect your credit score;
- To confirm your identity, such as to identify potential fraudulent transactions in your name; and,
- To offer our products and services to you.

When we display your credit score, this is a composite score designed by a third party and its use does not affect your credit score. If you choose to apply for additional products and services we offer (including extensions of credit), we may need to obtain your credit report, which can affect your credit score. We will request additional authorization from you at that time, if required.

The score shown is your VantageScore® 3.0 score. Each of the three credit bureaus (Equifax, Experian, and TransUnion) uses a different model to calculate a credit score and each gathers data independently. The credit bureaus pull your information from many different sources (such as lenders, collections, court records) at different times, there will always be discrepancies at any particular time between the reports from each credit bureau. Other financial institutions and companies that provide your credit score use different methods. Some rely on FICO® Score and some rely on VantageScore®. Even between those two companies, there are credit scores based on reports from one bureau, two bureaus, or all three bureaus.

The score is eligible for update every 31 days. To update your score, you must log in to online or mobile banking at or after 31 days since enrollment and/or subsequent updates.

This service is only available to consumer/retail online banking customers. You may cancel this service at any time by going to the My Credit tab, selecting Alerts, clicking on the “Delete Account” link on the bottom right. Once you have unenrolled from the service, all information will be removed and you will no longer have access to the old information.
